

NWS SUBMITTING AUTHORITIES OR DESIGNATES FOR EACH SYSTEM UNDER NWS CHANGE MANAGEMENT

December 28, 2005

The NWS systems under Change Management are:

- Automated Surface Observing System (ASOS)
- Advanced Weather Interactive Processing System (AWIPS)
- Change of Operations (CHOPS) and Other Systems
- Console Replacement System (CRS)
- Cooperative Station Service Accountability (CSSA)
- Data Review Group (DRG)
- Next Generation Weather Radar (NEXRAD)
- Radiosonde Replacement System (RRS).

** For specific programs where a region or office director has not designated a submitting authority, the director is the sole submitting authority for their region or office for that program.*
